

CMANC Working Waterfront Committee

Chris Miller, City of Newport Beach
Larry Paul and Associates

November 7, 2013

The Challenge: Maintaining our Harbor Infrastructure

- Maintain Harbor Viability
- Plan for Sea Level Rise Protection
- Manage Biological Resources
- Maintain/Improve Public Access

Emerging Challenge: Prudent Approach for Emerging Water Quality Issues

- Copper
- Pesticides
- Other Potentially Toxic
Constituents

Committee Strategy

- ✓ Active Participation by CMANC Members
- ✓ Define Common Priority Needs
- ✓ Collaborative Approach for Projects – Resource Agency Coordination
- ✓ Increased Federal Funding
- ✓ Regional Mitigation Program
- ✓ Legislative Outreach
- ✓ Coastal Conservancy Grant
